*"Nature is a sea of forms
radically alike and even unique.
A leaf, a sunbeam, a landscape,
the ocean, make an analogous impression
on the mind. What is common to
them all — that perfection
and harmony — is beauty."*

LAKE JEANETTE *Community Site Plan*

*Lake Jeanette is a place
where family fun abounds.
Just ask anyone who's
witnessed the daily turtle
convention on Lake
Jeanette's "Turtle Log."*

There's a splendid kind of isolation here that only peaceful waters and swaying trees can create. Relax. Get away. Stroll back to the way life used to be. And when you think about Lake Jeanette, don't be surprised if you end up calling it home.
